

## 12DBI Rubber Duck Magnate Antenna 3m, SMA (M)

| Electrical specifications     |                                     |
|-------------------------------|-------------------------------------|
| Frequency range(MHz)          | 700-2700MHZ                         |
| Impedance                     | 50 $\Omega$                         |
| V.S.W.R                       | $\leq 1.8$                          |
| Gain                          | 12db                                |
| Polarization type             | Vertical                            |
| Power Capacity (w)            | 50 W                                |
| Mechanical specifications     |                                     |
| connector                     | SMA M & SMA M RP                    |
| Colour                        | BLACK                               |
| Material                      | PLASTIC                             |
| Dimension                     |                                     |
| Weight (g)                    | 150g                                |
| Operating Temp( $^{\circ}$ C) | "-40 $^{\circ}$ C~+80 $^{\circ}$ C" |
|                               | ROHS COMPLAINT                      |
